*S*aving Gracie uses the poignant transformation of a scruffy Cavalier King Charles Spaniel who was rescued from her sentence as a breeding dog to tell the story of America's hidden puppy mills. Award-winning journalist Carol Bradley chronicles Gracie's makeover from a bedraggled animal worn out from bearing puppies into a loving healthy member of her new family; and follows her owner, Linda, as she becomes passionately determined to save Gracie's life and spread the word about the millions of other puppy mill dogs who need our help.
